You Work 2 hours a Day for Your Car!

The Urban Country recently calculated that Americans work on average two hours out of every day to pay for their cars. Now its figured out that a bicycle costs only 3.84 minutes. And that's being conservative, assuming you'll drop \$1,500 on a new commuter bike every five years, after which it will have zero value. See more...

May is Bike Month

The TMA will be hosting a number of clinics for all employees to get ready for May is Bike Month. Take a look at the [FLYER](#) and [RSVP](#).

Commuter Corner News

The McClellan Park Highway 50 vanpool has an opening and you may be just the commuter they are looking for. The vanpool runs a 4/10 schedule Mondays - Thursdays and arrives at McClellan at 6:00 a.m. Click [here](#) for details from the vanpool.

Click onto the most recent [Rideshare Request List](#) . If you find someone that may live in your area, may be on the way to your final destination or has the same work schedule, contact the TMA.

Learn if You are Doing the Most for Your Employees' Commute

The Association of Commuter Transportation - Sacramento Valley Chapter invites employer HR representatives to attend its *First Steps Regional Symposium* on March 21st. For more information, download the [registration form](#).
