### Travel and Multi-Tasking?

UC Davis is conducting a study on "travel multi-tasking" or doing other activities while traveling, and they want your opinions, whether you multi-task or not! To take a look at the survey, visit [Multi-Task Survey](#). They would appreciate as much information as you can provide; you do not need to complete the whole survey.

If you complete the survey, you will be entered into a drawing for one of several prizes: *\$300, \$200 or \$100 cash or one of eight \$25 gift cards.* Please complete survey by **November 30, 2011.**
